Submissions for the Creator's Series will be accepted from May 17th through June 15th of 2025!

Aspire Repertory Theatre's Creator's Series is a Workshop designed to provide Creators with Space, Feedback, and a performance Platform for original New Works and Works-In-Progress. The Creator's Series is open to writers, composers, and choreographers to workshop an excerpt or short original work between 3 and 15 minutes long. Each accepted work will be presented to an audience at one of the showcase performances at the culmination of the week at Aspire Rep's Black Box theatre. Costumes and sets will not be provided for the showcase.

Aspire Repertory Theatre will provide 10 hours of rehearsal space during the week of August 17th through August 23rd between the hours of 9am and 9pm. Aspire Repertory will also provide assistance connecting with performers, feedback from the Aspire Rep Creative Staff, the Showcase, and potential future opportunities for Aspire Rep to produce the complete or expanded work. Proceeds from the ticket sales for the showcases will be divided equally among the Creators. Creators are expected to be physically present for their piece's presentation and a talkback following the showcase.

Creators will be informed about acceptance of their submissions by June 24, 2025. Please contact (206) 395-3893 or productions@aspirerep.org with any questions.
